

What **if...**

a coupling could help
unlock higher performance
from your turbomachinery
equipment?

KOP-FLEX[®]

At Regal[®]... we engineer couplings for your applications.

Kop-Flex[®] high performance couplings have been supplied to the global oil and gas industry for over 30 years and have amassed over 1 billion hours of reliable operation in API 671/ISO 10441 applications. The next generation Kop-Flex High Performance Disc Coupling 2.0 is a lightweight evolutionary design, pushing the performance envelope in critical applications.
