- Note the red box outline around Brands at the top of the page

[System Plast brand page link](#)

- You have existing eLINK/EDGE login credentials
- From the [System Plast brand page](#)
- Select / click on the below link: (eLINK Users S.P.E.C. Access Request)

- By selecting / clicking on the above link you will be taken to the eLINK/EDGE login page
- Enter your login information
- Select / click LOGIN button
- eLINK/EDGE Login or Register page below

A screenshot of the eLINK/EDGE login and registration page. At the top, it says 'Login or Register now for these beneficial tools!' with three icons: 'Product Selection', 'Engineered Solutions', and 'Belt Efficiency Calculator'. Below this is a header bar with 'Login or Register' and 'Monday, September 08, 2014 GMT'. The main content area has the text 'If you have already registered, you may login below.' followed by a login form. The form has two input fields: 'UserName' (with a red error message 'User Name Required') and 'Password (Case sensitive)'. A green 'LOGIN >' button is to the right of the password field. Below the login fields is a link 'Forgot your username/password?' and a checked checkbox for 'Remember Me (this computer only)'. At the bottom of the form is a green 'REGISTER' button. Below the form is a link 'Browser Security Guidelines'. At the very bottom, there is a footer with logos for 'JAURE KOP-FLEX MCGILL 3300CE ROLLWAY SEALMASTER SYSTEM PLAST'.

- After logging into eLINK/EDGE you will get to below message
- This validates your information was successfully submitted for processing

Your request was submitted. Please allow a few days for the request to be processed. A response will be sent to the e-mail address used on the registration page.
